

# MERNE

## AT LIGHTHOUSE

Merne is an indigenous name for “food from the earth”. We believe it is an apt descriptor for the food we serve in our little restaurant. Looking out the large windows you can gaze for miles at the extraordinary views, encompassing the olive grove, newly planted grape vines, paddocks of the Bellarine and in the distance, Port Phillip Bay.

Merne at Lighthouse is owned and operated by Chef Josh Smith and Front of House Manager Caleb Fleet. Josh honed his skills at the acclaimed Royal Mail Hotel in Dunkeld, Gordon Ramsay’s ‘Maze’ in Southbank and Tulip Bar and Restaurant. He brings a significant amount of experience to the kitchen, which shows in the flavours and textures in the food he offers. “I want it to be a relaxed experience for diners. I have tried to create an interesting menu that people can share. with my hope that they discover something new and exciting,” he says.

Oakdene Vineyards purchased the property from Marcus Oldham Agricultural College in 2016 and have planted extensively on the grounds. Merne at Lighthouse is proud to showcase the Oakdene Wines as they have been consistently rated as one of the region’s top producers now for many years.
